Continuation of Substance of Interview including description of the general nature of what was discussed: Called the applicant as the application was in allowable condition except the issues as discussed. The structure of the newly added claim 21 was not clear and was not shown in the figures to be able to implement the claimed structure. Also cross-hatching pattern for the base layer was not incorporated in the figures and rejection of figure 7A and 7A, as shown in the previous action was not addressed. Applicant gave permission to carryout the respective changes by examiner's amendment. .
